REPORT OF COMMITTEE ON EXAMINATIONS OF CHINESE PROBATIONERS FOR THE MINISTRY OF OUR CHURCH.

Your Committee beg to report :

1. In the case of Chan Sing Kai: We have examined through Mr. Gardner, as interpreter, Chang Sing Kai, who answered the usual disciplinary questions satisfactorily, and presented a list of books read during the year, and we cordially recommend that he be continued on trial.

2. In the case of Liu Yick Pang, who has travelled under the Chairman during the year, we find that he was converted to God six years ago, is married, is twenty-four years of age, has now faith in Christ, and answers satisfactorily all the disciplinary questions usually put to candidates for our ministry; we therefore recommend that he be received on probation for our ministry, subject to passing the Preliminary Course of Study prescribed below, and that his year travelled under the Chairman be allowed.

REPORT OF SABBATH SCHOOL COMMITTEE.

Your Committee have met and beg to report, That they find a gratifying advance in the influence of our schools, and while last year we reported an attendance of 2,500, this year we report 3,516.

There has been an increase of 44 in the number of preaching places, but we regret that the increase in the number of schools has not been commensurate with that of the appointments. Our teachers number 414, an increase during the year of 110. Of these 378 are members of our Church. There have been 255 conversions during the year.

The amount raised for Sunday School purposes was\$2,554 50

The amount raised for Missions 1,054 20

Total\$3,608 70

The number of members in our Epworth Leagues is 782, an increase of 294.

While we rejoice that there has been an increase of 663 in the number who have taken the pledge of total abstinence, we deeply regret to report a slight decrease in the number of those learning our Catechism. We urgently recommend our ministers and Sunday School workers to pay especial attention to this important part of Sunday School instruction during the ensuing year.

W. W. BAER, *Chairman*.

JAS. CALVERT, *Secretary*.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

Your Committee beg leave to report as follows :

1. That we view with great pleasure the fact, that since last Conference, the "Sunday Closing Act," of this province, has come into force, and where it has been vigorously enforced has produced beneficial results, in better order, larger church attendance, and higher moral life. We earnestly urge our people to throw their influence in favor of the vigorous enforcement of the law.

2. We regret exceedingly that the Legislature of this province has not yet passed such laws as would tend to the discontinuance of Sunday excursions, Sunday travelling and other disregard of the Lord's Day.

3. We earnestly urge that our people everywhere maintain the strictest observance of the Sabbath, that our ministers preach an annual sermon on the subject, and that parents do their utmost to instruct the children in their homes to reverence the Lord's Day, by constant attendance on the house of God, by studying the Scripture, and by reading pure and religious literature.

S. J. THOMSON, *Secretary*.

REPORT OF EPWORTH LEAGUE COMMITTEE.

Your Committee is pleased to report the progress made in this department of Church work during the past year.

Two hundred new members have been added to our roll, and three new societies have been formed. It has been rightly said that the hope of the Church is in the young. Our Epworth League Societies are proving to be very important agencies in leading the young to Christ, also in giving an impetus to our Church work in many departments.

The development of the Leagues is demonstrating the importance and fitness of this agency more and more in the economy of the Church. The very best wisdom of the Church should be used to further its growth and to guide its energies. The Committee beg leave to make the following suggestions :

1. That every effort be made to form new societies, and that the pastors take pains to understand and explain the workings of the society.

2. That ministers take every opportunity to give counsel and encouragement in the selection of suitable and useful literature for the young.

3. That uniformity in the name of the societies be as far as possible aimed at, the name "Epworth League of Christian Endeavor" being suggested.

4. That district conventions be held annually at the time of the Financial District Meeting in connection with the Sabbath School Convention, the arrangement for the first convention to be entrusted to the Chairman and Financial Secretary in consultation with the officers of the Leagues.

Your Committee, to whom the memorial from the Western District was referred, *re* case of selling liquor without license at Chilliwack, and cases of illegal granting of licenses by Licensing Boards, recommend the appointment of the following Committee: Revs. C. Bryant and A. E. Green, and Messrs. S. Gough and N. Shakespeare, who shall be instructed to embody the facts in the cases in a form for publication in the press of this province, and who shall forward a copy of the same to the Minister of Justice at Ottawa; and we further recommend that the various temperance organizations be requested to make earnest presentments through their authorized channels and organs, and further that our ministers take advantage of every suitable opportunity to call public attention to the manner in which the intention of the law is defeated, how public rights, lawfully expressed, are over-ruled and imperilled.

JOS. HALL, *Secretary*.

REPORT OF COMMITTEE ON THE STATE OF THE WORK.

With profound gratitude to God, your Committee report unprecedented advancement in every department of Church work. There is a gratifying increase in our membership, in the different funds of the Church, and in the attendance at our Sabbath Schools, and yet we think that with a larger faith in God, and more attention to evangelistic efforts, even greater results might be reached. To this end we recommend that the several Districts of the Conference adopt the suggestion of the Westminster District and provide for interchange of ministers, with a view to mutual assistance and special revival work during the year.

We recommend further, the formation of Epworth Leagues wherever practicable, in order that the young people of our Church may be more effectively organized for Christian work.

REPORT OF THE COMMITTEE ON TEMPERANCE

Your Committee find that many things might be recorded to show that the temperance sentiment is still widening and deepening in this province. Chief among these we note the large increase in the number of the I.O.G.T. Lodges, and the establishment of the Order of the Sons of Temperance which has now several divisions in active operation.

The resuscitation of the Provincial branch of the Dominion Alliance and the untiring zeal of the W.C.T.U. temperance workers, have been successful in preventing the Licensing Boards from granting some applications for license, and in securing in some of the courts decisions adverse to the liquor interests.

We record our appreciation of the action of a few of the school boards in introducing scientific temperance instruction into some of the public schools, and note with pleasure the good effect that has been produced by the enforcement of the Sunday Closing Act of the previous session of the Legislature.

We thankfully express our conviction that the ministers and members of our Church are still in the front rank of the leaders of the Temperance Reform and of Prohibition.

We observe with apprehension the determination of those interested in the liquor traffic to wrest from us our privileges, and to secure the removal of the restriction that past legislation has put upon their previous business.

Eternal vigilance to guard our privileges, determined opposition to encroachment upon our liberties, and persistent attack upon the legal recognition of the liquor traffic ought to be the platform of all temperance workers.

This is the more apparent when we have still to deplore: (1) The persistent foisting of the traffic upon unwilling communities, in direct contravention of the requirements of the Liquor License Law; (2) the sympathy and interest shown by many of the Justices of the Peace in assisting parties seeking license to evade the requirements of the law;

(3) the which securin municip pointed only el ing and Thes ment, provin and in In co mend t the hon who are natural great q

(3) the insidious and successful tampering with the Municipal Act, by which it is impossible in specific cases for a license to be procured without securing the consent of two-thirds of the responsible residents of the municipality; (4) the unjustifiable luxury in many cases of those appointed to enforce the law which allows the illegal sale of intoxicants not only clandestinely, but even openly and over a bar, especially upon coasting and river steamboats.

These things convince us that we need a radical change in the sentiment, or in the personnel of those who represent the people of this province, and leads us to urge temperance workers to close up their ranks, and in the future to take a more aggressive attitude than in the past.

In conclusion, as in the report of last year we would earnestly recommend the constant and faithful inculcation of temperance principles in the homes of our people and also in the Sunday School, so that the young who are the hope of the future may grow up in an atmosphere that will naturally qualify them for taking an intelligent and loyal stand on the great question of Prohibition.

THE REPORT OF THE COMMITTEE ON MISSIONS.

The Report of the Committee on Missions was adopted as follows:

Your Committee received the Report of the Boys' Industrial Home at Port Simpson. The report contains many interesting details, and shows that the number of boys has increased from seven to twelve; the great need of immediate action being taken along the line of enlargement of the mechanical building; the increase of the appliances of the mechanical department, and the appointment of a permanent Principal and Matron are apparent. There is a large number of applications for admittance, sufficient to more than double the present attendance.

We believe by utilizing the present buildings and those occupied by the girls and a grant of \$1,000 from the Missionary Board, the usefulness and capacity of the establishment could be increased at least 100 per cent.

We therefore commend it to the liberal consideration of the Missionary Board.

When organized on this enlarged industrial plan, we believe we will have a claim upon the Government for the per capita appropriation, and we believe that it could be obtained.

Inasmuch as a mistake has been made in the purchase of an extra boiler for the "Glad Tidings" through a misunderstanding, and as a result Mr. Crosby has suffered very serious financial loss for the time being, we earnestly recommend that the Board recoup Bro. Crosby the amount which has been expended for the purchase of the Doty boiler, pending disposal of the same.

Your Committee recommend the President, Rev. C. Watson, and the missionary on board the "Glad Tidings," be a committee to appoint an advisory board of five persons, to include the missionary on the "Glad Tidings," as soon as the headquarters of the boat are determined.

That clause B, section 4, of last year's report be re-affirmed, which reads as follows:—That a missionary be appointed who shall have charge of

the "Glad Tidings" during the coming year. He shall visit regularly and as often as possible the tribes on the east and west coasts of Vancouver Island, the islands of the Gulf, and the tribes on the mainland so far as they are not reached by any other Protestant missionary. He shall also, if possible, make two trips each year to the Simpson District, and convey the chairman to all points in the district which can be reached by boat, spending, say, four weeks in this work on each occasion.

That a teacher be appointed to the Chinese Mission at Nanaimo, and that if practicable a building be erected.

That the chairman of the Victoria District take steps to secure a man to visit the Chinese at Comox, to do what can be done preparatory to opening a mission there, subject to the approval of the Board of Missions.

That Chan Sing Kai be instructed to visit Kamloops, at least four times a year, and spend at least a week at each time, also to visit Ladners and Chilliwack as often, and that his railroad expenses to Kamloops be allowed him.

That Dr. Liu Yick Pang be instructed to visit Lulu Island and Moodyville at least four times a year.

That J. E. Gardner visit Nanaimo, Union Mines and Wellington at least four times a year.

That no expenses be allowed on any of the above trips except in the case of Chan's trip to Kamloops, when his railroad fare alone shall be allowed him.

the Superan-

General Conference, which body appointed a commission, consisting of ministers and laymen, representing different shades of opinion, to take the whole question into consideration, and report to the next General Conference.

The commission has met, and appointed sub-committees to collect information from a great variety of sources, and present it in tabulated form. Important beneficial results may be expected from the thorough and impartial examination of the whole question.

The amount raised from Circuits has exceeded that of the previous year by \$1,862.04. It is, however, just to state that a small portion of this increase arises from back payments on account of former years. The Interest Account is also in advance of the former year, \$1,249.37, and the Book Room has added \$200 to the grant of the preceding year, making the yearly grant now \$6,500.

We have received in legacies this year \$6,437.25, which sum embraces the half of the legacy of the late William Gooderham. There appears to be a praiseworthy disposition on the part of our people to remember this Fund in the final distribution of their property.

We are, however, still under the necessity of expressing our regret that there are a few Circuits that have failed to pay their apportionments in full, to the great embarrassment of the ministers laboring on them, and to the great injury of the Church. The aggregate amount is not comparatively very large, but the example is bad and it is not just to those Conferences and Circuits that are loyal to the laws of the Church.

The new claims this year are exceptionally large and amount to \$9,630, while expired claims are only \$5,848, leaving a balance of \$3,782, less \$382, being the difference between the debt of the last year and the present one, or \$3,400 to be provided for, the entire claims for the year being \$87,084. The estimated income of the Fund will be about \$85,334, so far as we can at present ascertain. The Treasurers did not, however, feel at liberty to increase the percentage on the assessable income.

REPORT OF GENERAL CONFERENCE FUND.

In the Minutes of the several Annual Conferences for last year (1891), there is a statement of receipts and expenditure from September 1st, 1890, to May 21st, 1891. It has been considered advisable to bring the annual statement to be published in the Minutes down to as near the time of the meeting of the Conferences as possible, in order to show at one view the amount raised by the Connexion for this fund within the limits of one year, up till the latest date.

The following is a statement of receipts and expenditure from May 21st, 1891, to May 21st, 1892:

OBITUARY.

A Memorial Service was held at 10 o'clock, on Saturday, May 14th. The Conference sang *Lynn 855*, and was led in prayer by Rev. E. Robson. Rev. C. Bryant then read the obituary of the late

REV. WILLIAM POLLARD,

and in a few well chosen words moved its adoption. The Rev. E. Robson, in seconding the motion, spoke of his long acquaintance with Father Pollard, and mentioned several interesting facts in connection with his life's work. Revs. Crosby, Tate, Pierce, Green, Culvert, White, Watson, T. W. Hall, and Messrs. Spencer, Kireland and Miss Bowes also spoke words of sympathy with regard to the life, character, and social intercourse of this holy and now sainted man of God.

The Rev. William Pollard was born July 31st, 1819, in Sussex, England, and died June 1st, 1891, at Victoria, B.C. These dates embrace a life which became distinguished by unusual excellence and honorable usefulness in the ministry of our Church. He was called into our itinerant work in 1842, under the Chairman of the Augusta District of the Wesleyan Church of Canada, by being placed in charge of Cornwall Circuit. He was stationed subsequently on the following Circuits:—Sherbrooke, Toronto, Ottawa, Hamilton, St. Thomas (twice), Quebec, Three Rivers, Kingston, Brantford, Toronto West (which included Richmond street, Elm Street, and Queen Street, supplied by three ministers. with Mr. Pollard as Superintendent), Barrie, Cobourg, Victoria, and New Westminster, B.C.

During the thirty-six years of his effective ministry, he was half that time the Chairman of the following Districts:—Kingston, Brantford, Toronto, Barrie, Cobourg, and British Columbia.

In the third year of his pastorate at New Westminster, 1878, failing health made it necessary that he should be relieved of all Circuit and District responsibilities. A superannuated relation was granted him, which was continued for thirteen years. During this time his health was never sufficiently restored to allow of his being appointed to any field of labor.

It was a matter of satisfaction to himself and to the people of Saanich that he should have been able to maintain regular services in that settlement for several years after his superannuation. But through all the period of his retirement, the interest he still felt in the progress of British Columbia Methodism, and the occasional service he was permitted to render to other Churches as well as his own, in the city of Victoria, displayed the love and zeal for God's cause which had prompted the more active service of former years.

Mr. Pollard's ministry was characterized by exceptional ability in the pulpit. An able expounder of the Divine Word, and this fact, combined with the happy method and evangelistic fervor in the social means of grace, were owned of God in extraordinary revivals of religion and large accessions to the membership of the Church in many of the Circuits to which he was appointed.

As a pastor, he was always welcomed to the homes of his people; his unfailing fund of anecdote and sanctified use of native wit and humor causing his memory to be fresh and green upon the Circuits where he was called to labor.

As a disciplinarian, his knowledge of the written law of our Church and of the general principles of our polity was both accurate and extensive, and his administration which met the cordial approval of the Church, as evidenced by his long term of service as Chairman, was marked by a judicious combination of kindness and severity.

As a missionary, Mr. Pollard displayed the true zeal of the apostle of the Gentiles, who desired to preach the Gospel in the regions beyond, for after taking charge of the British Columbia District the work of evangelization began among the Northern Indians, and Mr. Pollard went to Port Simpson and established a mission there among the Tsimpsheans, and thus laid the foundation of the noble work which has since been accomplished upon that District.

During Mr. Pollard's superannuation, he also had charge of the Victoria Indian Mission Church, and also initiated and conducted for some time, with considerable success, the first Mission to the Chinese in Victoria.

His death came, by the paralysis of his physical powers, and towards the end unconsciousness supervened, but his end was that of the just and his reward is that of being with Jesus, which is far better. His works do follow him and his example is an inspiration to his brethren whom he has left behind, especially to the younger ministers of our Church.

"Servant of God, well done!

Thy glorious warfare's past;

The battle's fought, the victory won,

And thou art crowned at last."

Re CIRCUIT INVITATIONS.

The following preamble and resolution was reported to the Conference by the Stationing Committee, concurred in and ordered to be printed in the Minutes :—

Whereas, the work of the Stationing Committee has been rendered more difficult than otherwise it would have been, by the fact that the Quarterly Official Boards of some Circuits within the bounds of the Conference had entered into private negotiations with ministers belonging to other Conferences with a view to securing their services for these par-

ticular stations, without due consideration being given to the convenience or comfort of ministers and their families now in the field, or to such an arrangement of the stations as would ensure the most efficient administration of District and Conference work; therefore,

Resolved,—That while we have on this occasion complied as far as possible with the expressed wishes of the Circuits concerned, we desire to kindly point out to the esteemed brethren composing the Quarterly Official Boards, that in so small a Conference as ours, the pursuance of the course above referred to cannot fail to cause serious embarrassment to the Stationing Committee, lessen the efficiency of our Church as a whole, and disturb to some extent the present state of good feeling and mutual confidence so happily existing between ministers and people, and among the various circuits and missions of our Conference.

We would remind our people that our Churches are not independent congregations, but a connexion, and that the principle of the itinerancy can be given its highest efficiency only when both people and pastors loyally surrender into the hands of the Stationing Committee, elected by the joint vote of laity and ministers, the right to choose, on the one hand, what pastors they shall have, and on the other, what congregations they shall serve.

NEXT ANNUAL CONFERENCE.

On motion it was decided to hold the next Annual Conference at New Westminster, to begin on the second Thursday in May, 1893, at the hour of 9.30 a.m., in the Central Methodist Church.

ANNIVERSARY SERVICES.

The Epworth League and Sabbath School Meeting was held on Wednesday evening, May 11th, commencing at 7.45, and was addressed by Rev. J. A. Wood and Prof. E. Odum, with Rev. C. Bryant in the chair. The collection amounted to \$7.15.

The Missionary Anniversary was held on the evening of Thursday, May 12th, and was addressed by Revs. D. Jennings, R. R. Maitland and Mr. Edward Nicholas. The collection on this evening was \$18.85.

The Educational Meeting of the Conference was held on Friday evening, and was addressed by T. Bryant, Esq., Rev. J. F. Betts and Prof. Odum.

The Theological Union met on Saturday at 3 o'clock p.m., and listened to a lecture, both interesting and instructive, by Rev. C. Watson, of Victoria, on "Traditionalism in relation to Bible Interpretation."

The Conference Temperance Meeting was held on Saturday evening, and was addressed by Revs. J. H. White and C. Watson, and Miss S. Bowes. The collection of the evening was ordered to be paid into the Sustentation Fund of the Conference.

CLOSING EXERCISES.

The Conference concluded its business at 9.30 on Monday evening. After reading and adopting the Minutes of the Session, the Conference sang the Doxology, and was led in prayer by Rev. E. Robson. The President, Rev. J. H. White, pronounced the benediction, and so closed one of the most harmonious and interesting Conferences held in the Province of British Columbia.

THE PASTORAL ADDRESS

OF THE BRITISH COLUMBIA CONFERENCE OF THE METHODIST CHURCH TO THE SOCIETIES UNDER ITS CARE.

DEARLY BELOVED,—In the closing hours of this the Sixth Session of our Annual Conference, we hasten to present to you our affectionate salutation in the name of our Lord Jesus Christ, of whose grace we and you have been made partakers, and by whom we have been constituted through His adopting love, heirs of eternal life. Unto whom with the Father, and the Eternal Spirit be the praise, world without end.

The sessions of the Conference have been marked by the spiritual presence of the Master. The spirit of harmony and brotherliness which has characterized the discussions and the tender and gracious influence which all hearts have felt, have demonstrated that our petitions for the Holy Spirit's aid have been in condescending mercy vouchsafed.

You will be gratified to learn that the review of the past year furnishes us with cheering evidence that our labors have not been in vain in the Lord, but that while there have been instances of defection (from contact with the prevailing spirit of worldliness and relaxation of Christian watchfulness), yet many have turned their feet into God's testimonies and a nett increase of 456 is reported. While it is a matter of unfeigned gratitude to God that this numerical increase has been given us, yet it rather concerns us that by godly admonitions and devout example of more mature Christians, they may be nurtured in the faith of Christ, and rise to positions of usefulness in the Church. In order to this we counsel the utmost fidelity in attendance upon the public worship of God, the Class and Prayer Meetings as well as all other means of grace, not omitting the daily and devout study of God's Word.

As illustrating the general progress of our work in British Columbia, it will be of interest to call attention to the following facts. It is now five years since we were constituted a new Conference. A comparison of the returns then with now is instructive and cheering. In the new Conference then there were 22 ministers and preachers, now there are 52; then there were 45 local preachers, now there are 111; then there was a membership of 1,975, now of 4,019; then, 1,543 scholars were reported in our schools, now 3,516. Then there were raised for Connexional funds \$3,220, this year, \$8,354. Then for ministerial support, \$7,438, this year, \$18,873; then, for all purposes, \$19,184, this year, \$69,764.

We rejoice in the general prosperity of our Sabbath Schools, as indicated by the statement just presented, as also by the very delightful fact that so many of our scholars are being savingly converted to God year by year. We have, however, to regret to notice that in so many of our Sabbath Schools our admirable catechism is left unused. The result must be that our young people are growing up without an intelligent appreciation of our doctrines.

We commend for the general use of our people, the excellent publications of our Book Room as also the periodical literature of our connexion.

As a Church, our standpoint upon the burning questions of the hour is that of total abstinence for the individual, and prohibition for the State, and that the traffic in intoxicating drinks cannot be licensed without sin. As people we must learn to vote as we pray.

It has been a matter of painful interest to us that missionaries on our Domestic Missions are receiving such meagre and inadequate support. The vast extent of the missionary operations of our Church render it impossible that very large sums should be granted by our missionary society in aid of individual fields, and the burden of support must rest upon the Missions themselves. We exceedingly regret that the zealous and loving labors of our brethren have not in every instance been met by the spirit of liberality commensurate with ability of those who have enjoyed their ministrations. We earnestly urge upon our people a larger measure of sacrifice and effort in this regard.

Among the important measures deliberated upon probably none were considered which are destined to have a more important bearing upon the future of our work in this province than that relating to the establishment of an educational institution under the auspices of our Conference, and having such religious safeguards as will commend it to the interest and confidence of Christian people. A scheme was formulated which met with cordial acceptance, a provisional board of directors was named, and the Rev. J. F. Betts, financial agent, to secure subscriptions for the successful establishment of the work. We earnestly commend this Conference college to the patronage and support of all our people.

The Conference has reaffirmed its unalterable conviction as to the duty of all Christian people, zealously to conserve the sanctity of the Lord's Day. This becomes the more necessary because of the unwonted forms of Sabbath desecration, such as Sunday excursions, and the running of tram cars which have been recently introduced.

From the ranks of the ministry of our small Conference, one has fallen during the year. Father Pollard, who came to British Columbia in 1871, and continued nearly seven years in the active work in Victoria and New Westminster, and from that time until the close of the last Conference sustained a superannuated relation to our work, heard the "Well done" of our Master he had served so long, and went to receive his crown. The memorial service was deeply affecting, confirming to our hearts the assurance of the Divine Word that the "Memory of the just is blessed." May the mantle of his zeal and devotion rest upon those of us who "still labor and wait," being admonished that the time is short, and the night cometh when no man can work.

And now, dearly beloved brethren, praying that for pastors and people, the year now before us may be one of unprecedented prosperity in all departments of our work, we commend you to God and to the word of His grace which is able to build you up and to give you an inheritance among them which are sanctified.
